About the speaker

Dr. Susan Kerr is an Extension Educator from Washington State University. She received her Bachelor's Degree in Animal Science and Doctor of Veterinary Medicine Degree from Cornell University. She was in rural mixed-animal veterinary practice for seven years before entering the doctoral program in Education at Kansas State University. After receiving her Ph.D. in Education, Dr. Kerr became the Washington State University-Klickitat County Extension Director. She is engaged nationally with 4-H animal science curriculum development and educational outreach to small ruminant producers.
