County Bred Market Animal Certification

Due: At Time of Weigh-In

This form must be completed and turned in when the animal is tagged at the fall weigh in for steers, or the spring weigh in for lambs, pigs, and goats. If the form is not properly completed and turned in at this time, the animal will not be eligible for participation in the county bred competition.

Seller Certification

This is to certify that this animal(s) was sold to the 4-H or FFA livestock exhibitor and that these animals were bred and born in Garrett County (embryo implant does not qualify).
