North Glade 4-H met on Wednesday July 19, 2023, at the North Glade building in Swanton. There were 33 members and 7 clovers present. The secretaries' report was read by Lea Custer. The treasurer's report was given by Matthew Stoner.

At the previous meeting, it was voted on by the members to go to an amusement park for their outing. It was decided that the club would do a picnic at the 4-H Camp on Saturday September 9th with a rain date of Sunday September 10th in place of the amusement park. Further information will be posted on the North Glade 4-H Facebook page. Also, please remember to write down your placings you receive at the fair for your record book.

There were several items on the agenda for new business. First, members wanting to participate in the Livestock Olympics should start forming teams now. Livestock Olympics will take place Saturday morning August 5, at the show ring. A vote was held in regards to a donation for the Cow Patty bingo door prize. The club decided to donate a \$25 gift card or gift basket.

Demonstrations can occur at the fair on any project you hold. In order to get the time you want, you should schedule in advance with Roberta at the Extension Office. Finally, the Corn Booth is in need of help. Check with Annie Rugola on available times.
