Trailblazers 4-H Club News *Samantha German, Reporter*

On October 17, the Trailblazer 4-H Club held their monthly meeting at ServiceMaster of Garrett County for some pumpkin carving. The meeting included talking about all the upcoming events such as beef fall weigh held on November 4, the Festival of Trees and our upcoming Christmas party. The Trailblazers next meeting will be held on November 21 at the Crellin Community Center for a little meeting and many memories. The Trailblazers will be making a tree for the festival of the tree, and Thanksgiving baskets for local families. Trailblazers are all about giving back to their community!
