Trailblazers 4-H Club News *Nicholas Ritchey, Reporter*

On January 23, the Trailblazers had their first meeting of the year. The club discussed what is going on in the New Year such as open enrollment and they welcomed the new officers for the year. The club members from last year turned in their record books and everyone signed livestock contracts. The club welcomed a new member as well. Kane Edwards adjourned the meeting. Our next meeting in February will be announced later due to planning a winter activity.
