UNIVERSITY OF  
**MARYLAND**  
EXTENSION  
*Solutions in your community*

*EFNEP is a federally funded program and part of the Maryland Cooperative Extension.*

In order to be in compliance with Federal Affirmative Action guidelines, EFNEP as part of the University of Maryland Cooperative Extension in Baltimore City must obtain assurance from all organizations and groups with whom we work will not discriminate on the basis of race, color, sex, handicap, national origin or disability. Certification of non-discrimination is achieved by signing and returning one completed copy of this letter. You may retain a copy for your files. If you have completed this form previously, we are asking that you update our files with a more current copy.

The Federal requirements further state that if such certification is not provided, the organization must be notified in writing that the Cooperative Extension can no longer give assistance. We want to continue and even strengthen the fine working relationship with your organization.

Please return one signed copy by the date of \_\_\_\_\_. We respectfully request your understanding in this matter and assure you that we appreciate your continued cooperation.

Sincerely,

\_\_\_\_\_  
Manami Brown  
Baltimore City Extension Director

This is to certify that \_\_\_\_\_ has a policy of open membership and does not follow discriminatory practices on the basis of race, color, sex, handicap, national origin or disability.
