Solutions in your community

AGsploration: The Science of Maryland Agriculture Winter Institute

Are you interested in production agriculture, health and/or environmental issues as they relate to Maryland agriculture? Do you enjoy teaching others?

Then the AGsploration Winter Institute Is For YOU!!!!

Who: 4-H youth (14-18) and alumni (19-21) to become trained as a Teen Teacher

What: AGsploration Winter Institute

When/Where: February 19-21, 2011, Thendara 4-H Center, Hurlock, MD

Cost: FREE!! (Travel to/from the center on your own)

What You Will Receive: Leadership and teaching skills through workshops and fieldtrips, AGsploration gear, networking opportunities with other 4-Hers, community service hours, and door prizes!!!!

What is Your Commitment? Fill out an application by December 31, 2010, attend the training in February, and make a 30 hour commitment teaching the curriculum

Download an Application at www.maryland4h.org

Program Limited to 30 4-H Youth

Applicants accepted by review process, we encourage at least one youth from every 4-H unit to apply

If you have any questions, please contact April Hall Barczewski at adhall@umd.edu or 410-996-8134.

Come Have Fun and AGsplore With Us!

"It is the policy of the University of Maryland, Agricultural Experiment Station and University of Maryland Extension, that no person shall be subjected to discrimination on the grounds of race, color, gender, religion, national origin, sexual orientation, age, marital or parental status, or disability."

"University of Maryland Extension educates citizens to apply practical, research-based knowledge to critical issues facing individuals, families, communities, the State, and our global partners."

If you need special assistance to participate in this program, please contact the University of Maryland Extension at 410-996-5280 by December 31, 2010.
