Solutions in your community

The Nature Explorers 4-H Club discovers nature. Club members come from Snow Hill and Pocomoke and club meetings are held in either community. The Nature Explorers learn about local watersheds, aquifers, wildlife and Assateague ponies. They are becoming good stewards of our land and sea. If you are interested in joining the Nature Explorers 4-H Club, please contact our 4-H office at 410-632-1972.
