My Goals in 4-H this year are:

In 2005 I plan complete the horse, swine and gardening projects. In the horse project hope to learn how to improve my riding skills and plan to participate in horse bowl to increase my horse knowledge. In the swine project I hope to learn how to feed my pigs better so that they make weight and improve my showing skills. Since I have never carried the gardening project I hope to learn when to plant my seeds so that I can produce some vegetables for my family to eat and flowers to share with my friends.

Club Business Meeting Participation:
