Parents of Preteens: Show You Care

About the Series

Preteens are between 10 and 12 years old. They are not children. They are not teenagers. They are at an age where they have special needs that only preteens have.

We all love our preteens. But when we are busy, what happens? We may forget to show them we care. Preteens need to know that we understand and support them.

Here are some ideas about ways to show preteens that you care.

Titles of leaflets in the *Parents of Preteens: Show You Care* series are

- L 249 Tell Your Preteens What You Expect
