Continuing Education
for
Certified Nutrient Management Consultants
and
Certified Farmers

February and March 2016 Webinars
2 – 4 P.M.

These webinars will be held via Adobe Connect. You will need access to a computer with speakers and a high-speed internet connection to participate.

Two continuing education credits will be awarded for each day’s webinar.

**Attendance Information:** On the day of the webinar, please join the webinar five minutes prior to the meeting time.
