

For Immediate Release

Date: 03/13/2026

## **Trailblazers 4-H Club News**

### **Reporter, Maci Pritt**

Trailblazers 4-H Club members learned new skills and had a great time during their February 2026 meeting at the Star-Lite Roller-Skating Center. Members conducted their 4-H business meeting before enjoying an evening of roller skating together.

Club president Rae Smith-Pritt reminded members of several important upcoming dates, including spring weigh-ins, Extension Office events, and upcoming Trailblazer meetings. Members also reviewed the public speaking opportunities that will take place during the March meeting and signed up for the category they wish to participate in. Youth can choose to present a prepared speech, radio spot, or extemporaneous speech and will be judged on their presentations.

The meeting concluded with a group photo followed by roller skating and pizza shared with friends and family.

The next Trailblazers 4-H Club meeting will focus on public speaking and will be held on March 17th at 6:30 p.m. at the Crellin Community Center.

For more information about joining 4-H, please contact your local Extension Office.
