Red House 4H Club News

Braden Harvey, Reporter

The June meeting of the Red House 4-H club was held on Wednesday, June 3, 2026, at Baconacres. The meeting was called to order by President Brent Friend, pledges were led by Maddie Calhoun, roll was called by Secretary Kaylee Harvey, and treasurer's report was given by Will Dixon

Under old business all members needing to complete Quality Assurance were reminded that it was to be completed by July 1st, but the system was down and Nikki would let them know when it was back up. Our July meeting will be at Vepco on Sunday, July 19th. We will meet at the Liberty in Mount Storm like in the years past at 1:00. Members will have a picnic, and work on the fair booth. Once that is done, they are welcome to swim, fish, or kayak.

Under new business the fair will be August 1-8th and you must have a health check before you weigh in. We had a couple ladies come and talk to us from the health department about nicotine and cannabis use. After they were finished Missy gave a demonstration of different products that should be used on your pigs, how to keep them housed, and the proper way to show them. The meeting was adjourned by Darci Sisler, and the motion was seconded by Colton Tasker and passed.
