What is 4-H?
4-H is part of the Youth Development Program of the University of Maryland Extension. The four H's stand for Head, Heart, Hands and Health.

The 4-H pledge is:
I pledge …
My Head to clearer thinking
My Heart to greater loyalty
My Hands to larger service,
and
My Health to better living,
for my club,
my community,
my country
and my world.

In Calvert County 150+ youth ages 8-18 and Clover members ages 5-7 participate in 4-H Clubs and Project Programs. More than 60 adults in Calvert County volunteer as club, project and activity leaders. The cost to join 4-H is a yearly participation fee of $10 for youth ages 8-18.

In the US over 5.6 million youth participate in 4-H each year, to become self-motivated, productive, responsible citizens. In 4-H, kids develop lifeskills, use their own learning styles and participate at their own pace in a wide variety of projects and activities.
