Overview:
The primary objective of the Maryland 4-H State Horse Judging Clinic is to provide an opportunity for Maryland 4-H youth, Maryland 4-H volunteers, and UME Educators to acquire skills and knowledge about conformation and judging of horses. Individuals will receive classroom instruction as well as participate in live horse judging of conformation and performance classes. Participants learn valuable information that they can use when showing their own horses, as well as in horse judging competitions.

Registration is typically limited. This event is offered every other year on the odd calendar years and is typically held in April.

Participants:
Maryland 4-H youth, Maryland 4-H volunteers, and UME Educators are all invited to participate in this clinic. Beginner and Advanced tracks will be offered. Adults interested in coaching judging teams are also encouraged to enroll in the Coach/Volunteer track.
