Spring Garden Expo

Saturday, April 26, 2014,
11am - 3pm (Rain or Shine)
Cylburn Arboretum, Greenhouse Classroom
4915 Greenspring Avenue, Baltimore, M.D 21209
(Follow the signs to the Greenhouse Classroom)

Join us in celebrating Earth Week and Baltimore City Master Gardeners 35th Anniversary of helping Baltimore Grow Greener!

Come visit our newly installed:
Vegetable Demonstration Garden, Rain Garden and Compost Area!
Experts will be available to you a tour of the garden and answer any questions you may have about vegetable gardening, how to compost (with/without worms) and why you may need a rain garden.

Learn about fun and easy ways to grow food for yourself with our Grow It Eat it Team!

We will also have:
Fun Children’s Activities, Demonstrations, and a Seed Giveaway

Bring your friends and family and take a tour of the beautiful grounds at Cylburn and other gardens!

FREE! FREE!

University of Maryland Extension programs are open to all citizens without regard to race, color, gender, disability, religion, age, sexual orientation, marital or parental status, or national origin.
