Interested in improving the environment?  Dedicated Volunteer?  Avid Gardener?

February 16—April 15, 2017
Thursday Evenings, 5:30—8:30pm
Saturday mornings, 9:00am—noon

Location: Chesapeake College (Eastern Shore Higher Education Center)

This 40+ hour course is designed to give you basic information in preparation for volunteering as a Master Gardener representative of the University of Maryland Extension. Topics will include: ecology, botany, soils, propagation, pruning, composting, pest and disease management, Bay-wise landscape design, wetlands, wildlife and much more. This program emphasizes community involvement and outreach as well as environmental stewardship.

A $200 fee is charged to cover all costs including the Maryland Master Gardener Handbook.
