

How to Re-enroll in Maryland 4-H

A Guide for Youth and Adults

Maryland 4-H enrollment follows the calendar year. 4-H youth members and adult volunteers must sign up to continue in the Maryland 4-H program each year. This process is called “re-enrollment” and is very similar for youth and adults.

At 12:01 am on January 1st of every year, the 4HOnline system “re-sets” all youth and adult membership records for the new year. Shortly after the system re-sets, 4HOnline will be open to accept re-enrollment by families who have existing 4HOnline profiles. To re-enroll in Maryland 4-H, each 4-H youth member must log in to the family profile, check and update personal information, and choose a 4-H club and projects for the year. **Families must NOT create a new 4HOnline profile for purposes of re-enrollment; they MUST use their existing profile.** Contact your county 4-H office if you need assistance accessing your family profile (*login e-mail, password re-set, etc*).

All Maryland 4-H youth members pay an annual state enrollment fee of \$10.00 per child. The enrollment fee is “capped” at \$30.00 for a family; if more than three children from a family are enrolled in 4-H the family will pay a maximum of \$30.00. The enrollment fee applies to 4-H members of all ages, including Cloverbuds. There is no enrollment fee for adults.

The annual enrollment fee must be paid online through the State 4-H Program’s payment portal. The link to the portal will be provided in the confirmation e-mail received by the family after the re-enrollment is submitted. Online payment requires a credit/debit card, a prepaid debit card, or a Paypal account linked to a method of payment. Families may (and should) pay the fees for all youth family members in one transaction; they do not have to pay individually per child. Each family that has a 4HOnline profile must pay the fee separately from other families. Multiple families may not pay on one transaction.

Some counties and/or clubs may charge additional enrollment fees to cover cost of supplies, materials, insurance, etc. Follow the instructions of the county or club regarding payment of those local fees. County/club fees should NOT be paid online at the same time as the state enrollment fee.

Individuals who were senior 4-H youth members last year and wish to continue their 4-H participation as an adult this year should create a new family profile for themselves, then create an adult member record. DO NOT change the status of your existing record from “youth” to “adult.” Doing so erases all records of your 4-H youth experience. Contact your county 4-H office if you need help creating a new family profile and adult member record.

The re-enrollment process is similar for adult 4-H Volunteers and non-volunteer family members who have profiles, except adults are not required to choose clubs or projects. Adult 4-H Volunteers will be asked to re-certify their Volunteer agreement and to provide information about work they completed in the previous year.

To Re-Enroll in Maryland 4-H:

Go to <https://maryland.4honline.com> (note there is no “www” in the address) You will see this page:

Click the “**I have a profile**” button. Additional fields will appear. Enter the e-mail address associated with your family profile, your password, and choose “Family” as the “Role.” Click “Login” to continue to the family profile.

NOTE: If you do not remember the e-mail or password associated with your family profile, contact your county 4-H office to obtain the e-mail and/or re-set the password. If you remember your e-mail but not your password, you can click the “I forgot my password” button on the home screen and re-set it yourself.

1. Review & Update your Family Profile

From your home page, click on the large “Continue to Family” button to go to the family Member List page. Review the information in your family profile. If you need to change any of the information (address, e-mail, phone number, etc) click on the “Edit Family” button to open the profile screen. You can also re-set your password from the “Edit Family” screen.

Click the “Continue” button at the bottom to save any changes.

Remember: Your family profile must be associated with a valid e-mail address. This will be your log-in and you will receive 4HOnline Communications at this address. It will also be the e-mail where a password re-set will be sent, if you ever forget your password

2. Review and Re-enroll Existing Family Members

Below your family profile information will be a list of all family members who have been enrolled in 4HOnline in the past. You will note the Enrollment Status for youth and adults is **“Inactive”** since the records have re-set for the new year. *(Contacts remain active from year to year and do not have to re-enroll)*

To re-enroll a family member, click on the **“Edit”** button on the right. This will open the member’s profile for you to review, edit, and submit for re-enrollment.

Once you have submitted a family member’s re-enrollment their status will change to **“Pending.”** Status will remain **“pending”** until the re-enrollment is approved by the county 4HOnline Manager. Once the re-enrollment is approved by the county manager, the status will change to **“Active”** and the member is enrolled in 4-H for the year.

If you start to re-enroll a family member in 4HOnline but do not submit the record for review, the Enrollment Status will change to **“Incomplete.”** You will be able to return to the record to complete and submit the re-enrollment.

If you do NOT want to re-enroll a family member, do nothing. The family member will remain in **“Inactive”** status and the record will be archived by the 4HOnline manager.

3. Add New Family Members (optional)

If you want to add a new family member to your profile, you can do it before re-enrolling existing members or after. Add members to your family profile one at a time.

For each person you want to add, select the appropriate type from the drop-down menu and click “**Add Member.**” Each time you add a member new screens will open, where you will fill out membership information for that person. When you finish adding a member’s information you will return to this screen and have the option to add another person.

Family member types are:

- **Youth** – 4-H members ages 5-18 on January 1 of the current year
- **Adults** – UME Volunteers and non-volunteer parents/guardians
- **Contacts** – Adults who are not volunteers or parents/guardians

The screenshot shows the 'Member List' page for the 'Clover Family'. It includes contact information for the family and a section for adding new members. The 'Add A New Family Member' button and the dropdown menu below it are circled in red. Below this is a table titled 'Member/Volunteer List' with columns for Name, Role, Membership ID, Enrollment Status, Last Active Year, and Edit.

This is a close-up of the dropdown menu for adding a new family member. The menu is open, showing options: 'select a member type...', 'Adult', 'Contact', and 'Youth'. A red arrow points to the dropdown menu.

4. Review & Update Youth Member Profile for Re-enrollment

When you click on the “Edit” button from the family member list, the profile record page will open. Scroll down to the bottom of the record page and click the “Enroll for (year)” button. The personal profile page will then open for review and update.

- **School Information** – Update school or grade information as needed.

Maryland 4-H Youth Code of Conduct

MARYLAND 4-H YOUTH CODE OF CONDUCT

A goal of the Maryland 4-H program is to provide opportunities for children and youth to build character. Maryland 4-H supports the CHARACTER COUNTS!™ six pillars of character: TRUSTWORTHINESS, RESPECT, RESPONSIBILITY, FAIRNESS, CARING AND CITIZENSHIP. In order to ensure that Maryland 4-H programs provide positive environments for all individuals to learn and grow, 4-H participants agree to abide by these expectations of behavior:

Behavior Pledge

I have read the Maryland 4-H Code of Conduct and the Maryland 4-H Disciplinary Policy and Procedures. I am aware that my actions and decisions affect me and others and that poor actions or decisions may result in my loss of privileges for current and future 4-H programs. I will accept the appropriate and logical consequences of my actions, as determined by Maryland 4-H.

As the parent/guardian, I have read the Maryland 4-H Code of Conduct and the Maryland 4-H Disciplinary Policy and Procedures. I will support and uphold these principles, and will model positive behavior for my child and other 4-H youth and families. I will support the individual in charge of maintaining appropriate behavior at 4-H programs, events, and activities. I agree to accept the appropriate and logical consequences of my child's actions as determined by Maryland 4-H and the University of Maryland Extension.

Maryland 4-H Publicity Release

The Maryland 4-H Program and the University of Maryland often use images of “4-Hers in action” to promote programs and activities, recognize achievement, and share the fun of 4-H. Maryland 4-H members and adults may be photographed or videotaped at 4-H events on the local, state, and national level. Images identifying 4-H youth will not be publicized without permission of a parent/guardian, which must be indicated in the 4-Her's current year 4-H Online record. This permission must be renewed annually, at member re-enrollment.

In publicly sharing photographs and video of 4-H events, Maryland 4-H takes reasonable steps to protect youth's privacy and safety. Such actions may include identifying 4-Hers only by first name and county or club affiliation, or by not specifically naming photo/video subjects. In some cases older 4-Hers who have earned high awards or recognition may be identified by full name such as for a press release or interview. Photos or video of 4-H youth will be posted by Maryland 4-H ONLY to official 4-H, UME, and University websites or social media accounts. Images will not be sold.

If you choose to decline use of your child's image for promotional purposes Maryland 4-H, UME, and the University of Maryland will not share photos or video featuring your child. Your child's image may still appear in group or action/activity photos, but s/he will not be specifically identified or named.

I give my permission to Maryland 4-H, University of Maryland Extension (UME), and the University of Maryland College of Agriculture and Natural Resources (AGNR) to create, use, and publish photographic or video images of my child for educational and promotional purposes. These images may be exhibited publicly or privately, including posting to official 4-H and University of Maryland websites and social media accounts. I understand I will receive no compensation for use of these images.

Maryland 4-H Code of Animal Science Ethics

4-H members enrolled in animal science projects (e.g., beef, camelids, dairy, dog, goat, horse, poultry, rabbit, sheep, small pet, and swine) shall, at all times, conduct themselves with honesty and good sportsmanship, including while with their project s and at all 4-H animal science activities and events. Their conduct should always reflect the highest standards of honor and dignity to promote the advancement of 4-H and its animal science program. 4-H members, as well as parents, UME volunteers and others working with them, are under an affirmative responsibility to do more than avoid improper conduct or questionable acts; and their conduct and values must serve as a positive influence on others. This Code of Ethics applies to all 4-H members who are enrolled in animal science projects, and to others (4-Hers, parents, volunteers, owners, etc.) who participate in the animal science program. It covers daily animal care as well as participation in competition and other 4-H animal activities and events. 4-H members and others who violate this Code of Ethics demean the integrity of 4-H and its animal science program. 4-H members who violate the code of animal science ethics are subject to sanctions including, but not limited to, forfeiture of premiums, awards, and/or auction proceeds and may be prohibited from participation in 4-H or 4-H/UME events or activities. Other violators may also be subject to sanction, as appropriate. Infractions may be reviewed by 4-H and/or UME (on the local or state level, as appropriate to the infraction and to the event and/or activity in question), and/or may be subject to a fair oversight committee or other entity that oversees an activity or event. In addition, some acts may also be subject to review based upon the 4-H Youth or Adult Code of Conduct and/or other UME policies.

Note: By signing this form the 4-H member, and his/her parent or guardian, each verify that he or she has read and understands the UME 4-H Code of Animal Science Ethics and the consequences of and penalties provided for violations of the Code.

4-H ANIMAL SCIENCE PROJECT ENROLLMENT STATEMENT

I have read and understand the UME 4-H Code of Animal Science Ethics, and, in consideration of being permitted to enroll in a 4-H animal science project and/or participate in Maryland 4-H animal events or activities, I consent to and agree to abide by the UME 4-H Code of Animal Science Ethics. I understand this Statement must be signed by the 4-H member and his/her parent or guardian and will be on file in the local 4-H office and will apply to all 4-H animal science activities and events. By not signing, I may not receive all associated materials and will not be eligible to enroll in an animal science project or to exhibit or participate in covered activities.

Adults are asked to indicate their interest in volunteering with the 4-H program, whether or not they are already a Certified UME Volunteer.

If the adult member is a UME Volunteer (“Yes” box marked in Volunteer question on member profile page), s/he will be asked to complete an additional section during re-enrollment. VOLUNTEER RECERTIFICATION AGREEMENT

I understand that my engagement by the University of Maryland Extension and 4-H Youth Development in a certified Volunteer role does not constitute an employment relationship, and that I will receive no salary, wage, benefits, or contractual legal protections as a result of this relationship.

I also understand that my service to the Maryland 4-H program and University of Maryland Extension may be terminated at any time by me or by the county/city 4-H Educator based on the needs and interests of the 4-H Program. The term of this Volunteer appointment is one calendar year and expires on December 31 of this year unless terminated by either party prior to that date.

I acknowledge that, in addition to this agreement, I will be provided a Position Description for each role I fulfill as a UME/4-H Volunteer. The Position Description(s) will be provided by the county/city 4-H Educator and will remain in effect for the duration of this appointment. CONFIDENTIALITY: I understand that I may have access to certain sensitive information about other individuals in performing my duties as a UME Volunteer. I agree not to use or share personal information about others outside the requirements of my duties as a UME Volunteer. I understand that I will be held personally liable for failure to protect or unauthorized use of personal information, to include medical, financial, insurance, and other personal and confidential information.

NONCONFLICT OF INTEREST: I will not promote private or personal interests in conjunction with performance of my duties as a UME Volunteer. I will not do anything that could be reasonably construed as a conflict of interest with University of Maryland Extension programs.

TERMINATION OF VOLUNTEER STATUS: Should my status as a certified UME Volunteer expire or be terminated by voluntary or involuntary means, I agree to return all equipment, supplies, information, and other materials provided to or developed by me as part of my Volunteer role to the county/city 4-H Educator within three (3) days.

To the fullest extent permitted by law, I hereby release and forever discharge, and agree not to sue and to indemnify and hold harmless, the State of Maryland, the University of Maryland, University of Maryland Extension and their governing boards, officers, agents, employees and volunteers from and against any and all liabilities, claims, demands and causes of action of any kind on account of any loss, damage, illness or injury to person or property in any way arising out of or relating to my participation in the Event and/or related activities, whether due to the negligence, mistake or other action or inaction of UME or any other person or entity.

Parents/guardians are also encouraged to discuss any health concerns that might affect a 4-Her's participation in certain activities with the club or program leader. In many cases, accommodation or assistance can be given to help the 4-Her have a full, positive experience.

Adult Volunteers are encouraged to provide information that may be helpful to 4-H staff in case of emergency.

This information will be used for program planning purposes ONLY. Youth and adults who attend certain 4-H events and activities (including camps) will be required to complete and sign a comprehensive 4-H Health Form as part of the registration process.

Please answer these questions for the Youth or Adult enrolling:

Do you have any food allergies? If yes, what are they and what reaction do they cause?:

Do you have any environmental allergies? If yes, what are they and what reaction do they cause?:

Do you have any medication allergies? If yes, what are they and what reaction do they cause?:

Do you carry an Epi-Pen, inhaler or other emergency rescue device? If yes, what device and for what is it used?:

10. Club and Project Selection

Youth must select at least one **club** from the dropdown menu. The menu will list all clubs that are accepting members.

To select a club, highlight the club name and click the “Add Club” button. The club will then show under the “Club List” banner. Youth may join more than one club, but they must designate which one will be their Primary club of membership by filling the dot to the left of the club name.

Adults are not required to select a club, but they choose one if they wish. If the adult chooses a club, their profile will then be associated with that club and their name will appear on the club leader’s roster as either an adult Volunteer or non-Volunteer adult (parent/guardian).

Youth must also select at least one 4-H **project**. There is no limit to the number of projects a 4-Her can carry, but s/he must be willing to complete project work in each of the selected projects. Project work may include attending meetings, completing exhibits, giving talks, etc.

Projects open to Clover members (ages 5-7) are limited. Youth new to 4-H who do not know what projects they want to pursue are encouraged to select the “Exploring 4-H” project.

To select a project, choose one from the dropdown list, indicate how many years you have participated in that project (“1” for first year), and click “Add Project.”

When you finish adding your 4-H project(s), click the “**Submit Enrollment**” button at the bottom of the screen.

Submit Enrollment

11. Member Status & Enrollment Fee(s)

Once the re-enrollment has been submitted the family profile’s Member List will display a “**Pending**” enrollment status for the family member who has re-enrolled. The member’s status will remain “pending” until approved by the county 4HOnline manager. The 4-H family/member must pay the state enrollment fee (and county fee, if there is one) before the re-enrollment request will be approved.

When the re-enrollment request is submitted, you will receive an e-mail from 4HOnline (to the family profile e-mail address) confirming that the member’s re-enrollment request was received. The e-mail will also provide a weblink to the online payment portal for the annual state enrollment fee (*see page 1*).

Click on the link in the e-mail to access the fee payment portal. Complete the payment form and submit the information, then you will be directed to a Paypal page to complete your transaction. Payment must be made by credit/debit card, pre-paid debit card, or from a Paypal account linked to a payment method. Families may (and should) pay for all youth 4-H members’ state enrollment fees in one transaction. There is no enrollment fee for adults.

Some counties and clubs have additional fees to help cover the cost of materials, supplies, insurance, etc. County/club membership fees (if any) should be paid separately from the state enrollment fee, according to local instructions.

Once the state enrollment fee is paid via the online portal, the county 4HOnline manager will receive notification and can approve the member’s re-enrollment. Once approved, the family member’s status in 4HOnline changes to “**Active**.” Adult re-enrollments may be approved as soon as the 4HOnline manager reviews them, since no payment is required.

to me

Dear Chris Clover -

We are happy to have received your request for re-enrollment in Maryland 4-H for the coming year. Your request is currently pending review and approval.

Before your county 4HOnline manager can approve your re-enrollment request, any required annual Enrollment Fees must be paid. All Maryland 4-H youth members (including Clovers) must pay a \$10.00 State Enrollment fee. The fee is "capped" at \$30.00 for multiple children from one family. This enrollment fee helps fund events, programs, and materials for 4-H members and families across the state of Maryland. There is no state enrollment fee for adult Volunteers or family members.

State enrollment (youth) fees must be paid online via the Maryland 4-H payment portal. To access the portal, click on the link below. You will need a credit or debit card, a pre-paid card, or an active [Paypal](#) account linked to a payment method to use the portal. Payment by other methods (cash, check, money order, direct credit card) will not be accepted. Families should pay for all youth members in one transaction, rather than in individual transactions for each member.

[Maryland 4-H Enrollment Fee Online Payment Portal](#)

Contact your Club Leader or County 4-H Educator if you have questions about payment of the state enrollment fee via the online payment portal.* If your county or club has additional fees, those should be paid according to local instructions. Please do NOT pay county/club fees through the state enrollment fee portal.

Your re-enrollment will remain in pending status until your information has been reviewed and your enrollment fee has been received (if applicable). You will receive another e-mail when your re-enrollment is approved.

If you have questions about the enrollment fee or wish to request assistance with paying the fee, contact your 4-H Club Leader or County 4-H Educator. Assistance is available to families facing financial hardship. Maryland 4-H is committed to helping youth stay involved in our programs, regardless of family financial status.

If you have questions or encounter difficulty in re-enrolling in Maryland 4-H using 4HOnline, please contact your county Extension Office for assistance. You can find your county office's phone number by looking in the phone listing or online for "University of Maryland Extension (your county's name) County."

NOTE: Baltimore City has a 4-H program that is separate and independent from the Baltimore County 4-H Program. If you are enrolling in the Baltimore City 4-H Program, contact the Baltimore City 4-H Office rather than the Baltimore County office.
