

4HOnline FAQ

Thank you for your interest in Frederick County 4-H! Our program is growing and changing and currently has over 500 4-H youth members and over 300 trained adult volunteers. We are very active in the community and offer many opportunities to learn new skills as both a youth or volunteer member.

For Clovers (ages 5-7) and Youth members (ages 8-18) to enroll in the 4HOnline system you need to:

- **Choose a 4-H Unit** (a 4-H club, camp or independent learning) If you are not a member of a Unit or Club please go to our clubs page at <https://extension.umd.edu/locations/frederick-county/local-4-h-youth-education/join-4-h> to see where our clubs are located. Each club has a page with meeting dates and times and also the Club Leader's contact information so you can get more information or visit a meeting to help in deciding on a club that is a good fit for your child.
- **Choose a 4-H project (or projects) for the year.** You will choose your project each year, they do not roll over year to year. If you would like to choose a project that is not listed please select ***Self-Determined***.

ALL 4-H Volunteers MUST enroll in 4-HOnline each year and be approved by March 10 in order to volunteer with 4-H Youth.
