Trailblazers 4-H Club News *Nicholas Ritchey, Reporter*

On February 25, 2024, the Trailblazers had their second meeting of the year. We went ice-skating at Canaan Valley Resort, and we all had a great time. Trailblazers made a donation to Hart for Animals as well as the Southern Mat Club Team Wyatt. Our club stats for 2024 17 Families, 31 members including 8 clovers, and 4 certified volunteers. We have two new members. We also talked about our next meeting where we will be doing public speaking. Our next meeting will be at Crellin Community Center on March 19th.
