

Downloading NuMan Pro 5.0

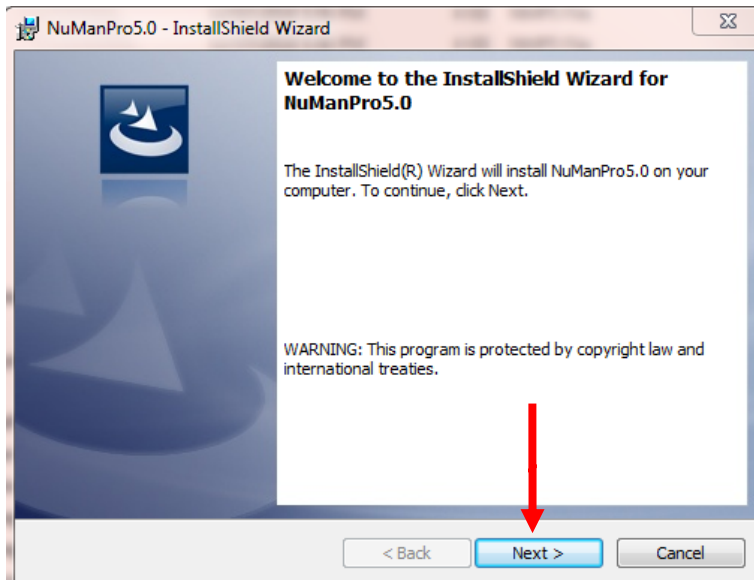

Step	Action
1	<p>Click on NuMan Pro 5.0 on the Agricultural Nutrient Management Program Software web page, you will then receive the following link. Click on the “Download” button (ignore any pop up that asks if you would like to sign up for a box.com account):</p>  <p>The screenshot shows a web page header with the University of Maryland logo and a file icon labeled 'NuManPro5.0_181218_Web.msi'. Below this is a large document icon placeholder. The text reads: 'We're sorry, this file type is not currently supported.' At the bottom, there is a blue 'Download' button with a red arrow pointing to it from the right.</p>
2	<p>If you receive the following message, click on “Save File”, it will be downloaded to your computer:</p>  <p>The screenshot shows a Windows dialog box titled 'Opening NuManPro4.2_151221.msi'. The text inside says: 'You have chosen to open: NuManPro5.0_181218_Web.msi which is: Windows Installer Package (22.7 MB) from: https://dl.boxcloud.com'. Below this, it asks 'Would you like to save this file?'. There are two buttons: 'Save File' and 'Cancel'. A red arrow points down to the 'Save File' button.</p>

NuMan Pro 5.0 Installation

Step	Action
1	<p>Go to your downloads folder, double-click on the “NuManPro5.0_181218_Web.msi” icon:</p>  <p>The screenshot shows a Windows Explorer window titled 'prshiplely > Downloads'. The file list contains two items: 'NuManPro5.0_181218_Web.msi' (11,369 KB, Windows Installer Package) and 'Downloading and installing NuMan Pro 5.0.pdf' (520 KB, Adobe Acrobat Document). A red arrow points to the .msi file.</p>
2	<p>If you receive the following message, click “Run”:</p>  <p>The screenshot shows a 'Security Warning' dialog box. The main text reads: 'The publisher could not be verified. Are you sure you want to run this software?'. Below this, it lists: Name: ...plet\Downloads\NuManPro5.0_181218_Web.msi, Publisher: Unknown Publisher, Type: Windows Installer Package, and From: C:\Users\prshiplely\Downloads\NuManPro5.0_18... At the bottom, there are 'Run' and 'Cancel' buttons. A red arrow points to the 'Run' button. A checkbox 'Always ask before opening this file' is checked. At the bottom, there is a warning icon and text: 'This file does not have a valid digital signature that verifies its publisher. You should only run software from publishers you trust. How can I decide what software to run?' with a link.</p>

3

This will open the NuManPro5.0 InstallShield Wizard. Click the “Next” button.

4

Click the “Install” button, NuManPro 5.0 will install:

5

After the installation is complete, click the “Finish” button to close the InstallShield Wizard:

6

The following NuManPro 5.0 shortcut will appear on your Windows desktop. Before using NuMan Pro 5.0, Re-boot your computer to complete the installation process.

The location files are saved is different in NuMan 5.0, to avoid problems saving for those users who don't have “administrator” privileges. You can view the locations where NuMan Pro 5.0 files are being saved on your computer by going to the “File” menu, and selecting: “Setup Data Folders”.
