**January 28, 2021**  
Submitted By: Kayla Clarke

At the January 28th 2021 Paradise Barn Buddies 4H meeting we played a game of who can build the tallest tower out of 20 pieces of paper and tape, Alyssa Johnson had successfully built the tallest tower that stood over 90 inches. We talked about many important topics such as enrollment, record books that are turned in for the 2020 year, and educational events such as dog fundays. Members were then asked about fundraiser ideas and when we would like to do them, we all voted to have a fundraiser at Texas Roadhouse in Lexington Park MD on February 24th. Then at the end of the meeting Kayla Clarke gave a demonstration on the confirmation of a rabbit.
