## Life Skills

Describe the Life Skills you used and what you learned in relation to your project.

I used one or more of these Life Skills from the Targeting Life Skills Wheel	What I learned as a result of using this skill.
<b>HEAD</b> Example: Decision Making	<i>I learned that I needed to be sure to budget my money when purchasing my rabbit projects so I would have enough to cover all of my expenses.</i>
<b>HEART</b> Example: Sharing	<i>I learned how to give younger 4-H members pointers on how to fit and show their animals properly.</i>
<b>HAND</b> Example: Healthy Life Choices	<i>I learned that animals don't grow well unless they receive the proper food.</i>
<b>HEALTH</b> Example: Managing Feelings	<i>I learned to control my feelings when I became frustrated that my pig would not cooperate to get loaded on the trailer</i>
