Restoring Maryland 4-H In-Person Programs

Baseline Conditions for hosting an in-person 4-H Activity are available on the [state 4-H webpage](#). **Current conditions restrict the location (outdoors) and size (2 UME adults, 8 youth) and require activity approval, as well as, other safety and health precautions.** Any

change in expectations and/or restrictions will be communicated through the Baseline Conditions graphic on the webpage. **Be sure to follow the Restoring Maryland 4-H Program Plan expectations, requirements and guidelines.**

All volunteer information and resources are available on the [Covid-19 Resources for Volunteers](#) webpage.

The local 4-H Educator has discretion on the timeline for opening in-person 4-H Activities in their local jurisdiction and may add additional trainings and/or requirements to the state mandates.
