Carroll County 4-H Reopening Update

Many 4-H programs have started to meet in-person now! Remember, we are following all of the Maryland 4-H guidelines and we will have to limit group sizes to 35 or less individuals for indoor and outdoor events at this time. I will be working with our club leaders and volunteer led programs to work through all of the procedures for approving meetings/events. Before attending any in-person event, please be on the lookout for information with specific guidelines that will need to be followed including: social distancing, wearing a mask, and signed health pledges (copy attached to the end of *Tribune*) just to name a few. Please read through the *Tribune* carefully as you will find that many of our spring activities are taking place in-person, but we are requiring registration to ensure we stay within our group size limits.

The Extension Office is now open! Faculty and Staff are working on a rotational basis. At this time, Becky is in the office on Mondays and Wednesdays and Lori is there on Mondays and Thursdays if you have a specific 4-H need or need to pick up anything. If you have questions, please feel free to reach out to Becky Ridgeway (bridgewa@umd.edu) or Lori Augustine (loria@umd.edu).

Carroll County 4-H/FFA Fair Entries

The online fair entry system will be opening on **May 17th and will close at 11:59pm on June 10th**. Remember, the Fair has switched entry systems and is now using ShoWorks, which is why the system will look different this year. Remember, if you have already made an account for this year, you need to use the same account. If you have not used the fair online entry system this year, you will need to make a new account. Make sure to get your fair entries entered early and don't wait until the last minute. The online entry system can be found at www.carrollcountyfair.com **No late entries will be accepted**. If you need to use a computer to complete entries, stop by the Extension Office between 8am-4pm and we will help you. If you have any problems with the entry system, contact: entries@carrollcountyfair.com

UME Volunteers

ALL UME Volunteers SHOULD HAVE COMPLETED THEIR ENROLLMENT BY MARCH 1, 2021 on 4-H Online (v2.4honline.com). This new deadline is a Maryland 4-H requirement to meet the new background check requirements. Even if you missed the March 1st deadline, we will still work with getting you enrolled! When completing the volunteer enrollment, remember this is a two-step process. Step 1 is the enrollment which leads into step 2, the screening process.

Please note the state will be approving the screening section of all volunteers once the background checks have been completed and before the county office can approve enrollments. Most volunteers will be considered a Tier 2 volunteer which will consist of a \$15 background check fee completed by a private company. This will be conducted every 3 years.

Some of our volunteers will be considered a Tier 3 volunteer which will consist of a background check along with fingerprinting and will cost around \$55. Volunteers in Tier 3 who work with camp (residential and day camps) or chaperone over night trips with 4-H members will fall under Tier 3.

For more information, please watch this informational video at <https://use.vg/lduCBz> along with the FAQ's

Public Speaking Contest

Prepare your speaking voices for the annual day of Public Speaking on **Saturday, May 22nd** at the Extension Office. After registration closes, you will receive an email to sign up for a time slot for your speech. This is a new procedure due to COVID. Rules and Regulations were in the December/January *Tribune* and can be found on the fair website along with the registration. Once registration is open, an email will be sent to all families. A new entry system will be used this year called ShoWorks. ALL registrations will be completed through the Carroll County Fair website at **www.carrollcountyfair.com**. Any questions, please contact the Extension Office or Superintendents, Della Leister at (443)375-0123 or Rita Becker at (443)375-1114. **Registration is now open and will close on May 7th.**

Demonstration Contest

It's time to start thinking about **Demonstration Day 2021!** This event will be held on **Saturday, June 5th** at the Extension Office. Once registration closes, you will receive an email to sign up for a time slot for your demonstration. This is a new procedure due to COVID.

Start thinking about that demo you've been wanting to do. This is a great opportunity to compete at the county level while fulfilling a requirement for project records! All Demonstration Day registrations will be done on the Carroll County Fair website at **www.carrollcountyfair.com**. Once registration is open, an email will be sent to all families. Please know that we will be using a new registration system called ShoWorks, so your registration screen will look different this year. Early registration is highly encouraged to prevent any last minute computer malfunctions. Rules and regulations were attached to the December/January *Tribune*. If you have any other questions, call the Extension Office or Superintendents, Jenn Hiscock (443)244 -1633 or Erica McAndrew (410) 967-9399. **Registration is now open and will close on May 7th.**

Market Swine Weigh-In

Market Swine Weigh-In will take place on Friday, May 7th from 5-9pm. More information will be provided closer to weigh-in dates about COVID precautions and how weigh-in will be conducted. We appreciate everyone's support in following all guidelines. If you have any specific questions about weigh-in, please contact the Extension Office or one of the Swine Committee Members. Please remember to check all of your paperwork prior to leaving weigh-in. Once you leave the Ag. Center, we will not be able to make any changes.

Castration Policy of the Maryland 4-H AnSc Program: All male steers, lambs, pigs and goats must be neutered and healed prior to 4-H weigh-in and tagging. The only exception would be animals that have obvious signs they have been banded, however, their scrotal sac is still intact.

Market Sheep and Goat Weigh-in and Tagging

If you plan to exhibit one of the above animals at the county or state fair, it must have a Maryland 4-H ear tag and be weighed in Carroll County. Livestock registration forms are due by **May 7th for Lambs and Goats and weigh-in will take place on Friday, May 14th, 5-8 pm**. Remember to fill in ALL information, including RFID/Scrapie tag numbers. The Animal Science Code of Ethics will be on the reverse side and BOTH pages must be signed. **Tags cost \$2 for swine, lambs and goats**. Checks can be made payable to CCEAC. You must register, tag and weigh-in the appropriate animal for Carroll County. You may not weigh-in your animals at another county and be eligible for the Carroll County 4-H/FFA Fair. Questions? Call 410-386-2760.

More information will be provided closer to weigh-in dates about COVID precautions and how each weigh-in will be handled.

Castration Policy of the Maryland 4-H AnSc Program: All male steers, lambs, pigs and goats must be neutered and healed prior to 4-H weigh-in and tagging. The only exception would be animals that have obvious signs they have been banded, however, their scrotal sac is still intact.

Butterfly Field Day

Interested in raising monarchs for the fair monarch tent? Plan on attending Butterfly Field Day on Tuesday, July 6th from 6 to 8 PM at the Carroll County Ag Center. At the field day, you will receive eggs or tiny caterpillars to raise into monarchs for the fair. In addition to learning how to raise monarchs for the fair, you will learn about other pollinators as well as complete projects that can be entered in the fair. A five dollar fee will cover the cost of the monarch eggs and projects. Plans are still being made so be sure to check 4hgoes.com for updates. Please signup by 6/15 at <https://signup.com/go/erbKfgN>

Children's Day at the Fair

The Fair will, once again, be hosting Children's Day on Tuesday, August 3rd, from 9:00 A.M. to 2:00 P.M. and we need your help! In previous years, more than 1,100 children have attended this event at the Carroll County Fair, and this success has been due to the participation of 4-H clubs, members, and volunteers!

We are asking that clubs sign up for a make-it and take-it craft table as in the past or to volunteer. The tables or stations can be a 2.5 hours or all day (5 hours) time slot. If your club chooses to sign up for a craft, we ask that you prepare these crafts for either 350 participants (2.5 hour time slot) or 700 participants (all day). When preparing these games and crafts, we ask that you keep agriculture, farming, and 4-H in mind. Remember that these activities should engage our youth and encourage them to stay for the day! If you or your club would like to help with Children's Day, but cannot attend that day, we are also looking for donations! You could provide a monetary donation, a donation for goodie bags, or items such as face paints, crayons, etc.

We hope that your club will be able to participate in some way, as it will be a wonderful opportunity to promote and educate young children and their families about the great 4-H program and agriculture here in Carroll County! To sign up for a make-it and take-it table, to volunteer, or to provide donations, please follow this link: <https://tinyurl.com/CCChildrensDay2021> Thank you so much for your time, and we look forward to working with you!

NARRATION: Write a three minute script limited to one side of an 8 ½" x 11" sheet of paper, double spaced. Please attach your narration. Remember that it's much easier to model your garment on stage **while** the narrator has interesting things to say!!! Do a good job of describing your garment and your work creating the garment. You may also add what clubs you are enrolled in and the 4-H projects you carry. For example, "Sally made a red dress with white polka dots" we can see that, it should say, "Sally chose this fabric because she loves the color" the narration tells us about the person, what they learned, and what they do in and outside of 4-H. This will be read during the 2021 CC 4-H Fashion Show. (You may submit the script used in your county/city Fashion Revue electronically.) You may send with this form or email to: Becky Ridgeway at bridgewa@umd.edu.
Due June 1, 2021.
