My signature below indicates, to the best of my knowledge, the information provided on this form is true, complete and accurate.

Student Signature: _____

Parent/Guardian Signature: _____

Date: _____

Application statements

**To be completed on separate sheet.
Can be printed neatly or typed.**

Consider each of the following. Think carefully about the questions and write a response based on your level of experience. The application statements are a valuable part of your application and will help the committee with placements. Each response should be in English and should not exceed 250 words.

- 1) A personal statement will help us to get to know you better. What distinguishes you from your classmates and peers? What do you expect to gain from Summer of STEM and to accomplish during the program?
- 2) Briefly list your three most significant interests and activities, including any employment or volunteer work experience. Include the time you devote to each activity, during which grades you participated, and your main responsibilities. Describe why one of these interests or activities are so important to you, your reasons for becoming involved in it, and your related accomplishments.
