

Dear Teacher,

_____ is applying to participate in the Summer of STEM program with Baltimore County 4-H. Summer of STEM is a program that allows youth the gain college and career training during the summer. Youth will be matched with mentors in the career field that matches their interest and will get the opportunity to learn valuable life skills from industry professionals. We provide students with professional development and college planning activities. Feedback on this student's performance and attitude in your class will help us to evaluate his/her potential to be successful in the Summer of STEM program.

We are looking for indicators that this student has a desire to do well and will make appropriate choices in order to get the intended value from the program. Once completed, please return the form to **Vernelle Mitchell-Hawkins 1114 Shawan Road Cockeysville, MD 21030** or email to **vmh@umd.edu** by 05/1/22.
