A note from our Area Extension Director, Bryan Butler....

Greetings to all of our Harford County Youth and Volunteers,

I would like to share the news that Dwayne Murphy, our 4-H Principal Agent Associate for Harford County will be moving on from University of Maryland Extension early this fall.

I would like to thank Dwayne for his work in Harford County and wish him the best in his new ventures.

Below is a note from Dwayne:

I will be leaving the UME 4-H program on September 30, 2022. The past 15 years have been a great experience serving the youth of Maryland 4-H and seeing many of them grow and find success. I am now looking forward to focusing on completing my Masters degree and exploring new opportunities to serve my community. I look forward to seeing my friends and colleagues over the next few months as I wrap up current projects and to put things in place for a smooth transition in Harford County 4-H.

Sincerely,

Dwayne Murphy

## Harford County 4-H Graduate

*Jeffery Widman*

Jeffrey Widman graduated from Harford Christian School. He has been active in 4-H since he was 8 years old, belonging to Blue Ribbon, Paws and Claws and Livestock 4-H Clubs. Jeffrey held officer positions for Paws and Claws, being President (two consecutive terms), Vice President, and Secretary. He has enjoyed being a 4-H Camp Counselor for several years and is looking forward to the upcoming camping season. Jeff has shown meat goats, swine, and a variety of indoor projects. However, he has always focused on poultry. His favorite Harford County Fair memory was winning Grand Champion of Show with his bantam d'anver rooster in 2019. Another favorite memory would be winning Champion Market Poultry (a few times) at the State Fair. All the years of spending time with friends at the Fair, helping with the Snowball Stand, and talking with the public are also great memories. In addition to 4-H, Jeffery plays soccer and has played the tenor saxophone since 4th grade. He currently works part time for the Vaughan family at Daily Crisis Farm in White Hall. Jeffery will seek full time employment in the Fall while he pursues trade school, most likely the Welding Program at Cecil County Community College. ~Submitted by Michele Widman and Lisa Andrews
