## Tractor Safety & Operation Training

The University of Maryland Extension will be offering a National Safe Tractor and Machinery Operation Program (NSTMOP) training this summer. Dates and times will be set once interested individuals contact the Extension Office. In 1968, the Fair Labor Standards Act of 1938 was amended by the Hazardous Occupations Order for Agriculture, establishing the age of employment in agriculture as 16 years of age or 14 years of age with special training. Part of the hazardous operations includes operating a farm tractor over 20 horsepower. The NSTMOP training would qualify youth ages 14 & 15 to operate equipment on farms owned and operated by someone other than their legal guardians. The training combines classroom instruction and the operation of tractors and farm machinery. Anyone 13 years and older (adults are welcome) would be eligible to attend the training. Anyone interested, please call the Extension Office at 301-334-6960 for additional information.

## 2022 Gardening Classes

Join University of Maryland Extension educator, Ashley Bodkins at the Ruth Enlow Library, Oakland, MD for the following 2022 Gardening Classes. All classes are free but registration is encouraged by calling 301-334-3996 or emailing Andrew Miller @ [andrew@relib.net](mailto:andrew@relib.net)

- **Tomato Gardening Tips & Tricks**  
**August 18 at 1 pm**  
Class with a taste testing of different tomato varieties
- **Composting for Beginners**
