## AG Happenings

**HEMP Fiber Field Day**

Join us for our Hemp Field Day on **September 8, 2022**, starting at 1:00 pm. This event will provide a forum for potential growers, researchers, marketing experts, and industrial hemp product users to discuss the future of Industrial Hemp in Garrett County. Learn about the variety of products from industrial hemp, the challenges and opportunities for cultivating this crop, and an update on the legislation governing industrial hemp products in Maryland. Please call 301-334-6960 to register or for additional information.

**Maryland Master Gardener Basic Training**

The University of Maryland Extension in Garrett County is excited to announce that there are two training opportunities this fall for those people that are interested in taking the Maryland Master Gardener Basic Training Course. Master Gardeners share gardening knowledge through programs, educational booths, outreach activities, classes, and much more! If you enjoy getting to know new people and love nature, plants, and gardening, this volunteer organization is something you should consider learning more about. In order to become a certified Maryland Master Gardener 40 hours of basic training and 40 hours of volunteer work are required. Additional requirements for the following years apply.

Two options are available.

- The first option will be a week-long, 9 am to 4 pm at the Extension office, September 12 through September 16th.
- The second option is a hybrid with the majority of the course being held online, Sept. 6 through November 29th every Tuesday from 6-9 pm.

The fee is the same for both options at \$150 and there is a required background check. Cash or Check accepted. Make check payable to the **University of Maryland**.

Please call 301-334-6960 or email [abachtel@umd.edu](mailto:abachtel@umd.edu) for additional information and details. A full training schedule is available upon request.

## 2022 Gardening Classes

Join University of Maryland Extension educator Ashley Bodkins at the Ruth Enlow Library, Oakland, MD, for the following 2022 Gardening Classes.

- **Composting for Beginners**

If you want to begin composting, this class will help you get inspired and show you all the steps for getting started. The first 10 participants to register at the libraries will receive a free bin courtesy of a Keep Maryland Beautiful Grant.

**Oakland** – to register, call 301-334-3996  
September 22 at 1 pm

**Friendsville** – to register, call 301- 746-5663  
September 28 at 5 pm

**Grantsville** – to register, call 301-895-5298  
September 30 at 11 am

**Kitzmilller** – to register, call 301-334-8091  
October 5 at 6 pm

**Accident** – to register, call 301-746-8792  
October 12 at 1 pm

**Online Class** – to register, visit <https://go.umd.edu/2022CompostingBin>  
October 20 at 1 pm

Each person that attends this free virtual class will qualify to receive a free compost bin courtesy of a Keep Maryland Beautiful Grant.

- **Invasive Plants** – to register, call 301-334-3996 or emailing Andrew Miller @ [andrew@relib.net](mailto:andrew@relib.net)  
**October 27 at 1 pm**

Fall is a great time to get outside and explore our beautiful area. This class explains what invasive means, why it is important, and helps identify common plant offenders.
