

UME Master Gardener Spring 2023 Basic Training

Combine your love of plants, people, & the environment to help your community solve problems & make sustainable gardening decisions.

Master Gardener Volunteers receive 40 hours of hands-on and virtual instruction in their county of residence to become a volunteer horticultural educator and teach their community through workshops, presentations, demonstrations, and more.

Feb 1 - May 3, 2023
Virtual classes on Wednesdays 6-9pm
Hybrid local schedule

Accepting applications in select counties now!
Apply by December 1 (earlier in some counties)
