## AG Happenings

### 2022 Gardening Classes

Join University of Maryland Extension educator Ashley Bodkins at the Ruth Enlow Library, Oakland, MD, for the following 2022 Gardening Classes.

- **Composting for Beginners**

If you want to begin composting, this class will help you get inspired and show you all the steps for getting started. The first 10 participants to register at the libraries will receive a free bin courtesy of a Keep Maryland Beautiful Grant.

**Online Class** – to register, visit <https://go.umd.edu/2022CompostingBin>

October 20 at 1 pm

Each person that attends this free virtual class will qualify to receive a free compost bin courtesy of a Keep Maryland Beautiful Grant.

- **Invasive Plants** – to register, call 301-334-3996 or email Andrew Miller @ [andrew@relib.net](mailto:andrew@relib.net)

**October 27 at 1 pm**

Fall is a great time to get outside and explore our beautiful area. This class explains what invasive means, why it is important, and helps identify common plant offenders.
