What IS 4-H?

4-H is the largest youth development organization in the United States with about 6 million participants and over 25 million alumni!

The Maryland 4-H Youth Development Program provides a supportive setting for youth to reach their fullest potential. Children learn beneficial cognitive and life skills through community-focused, research-based, experiential educational programs.

What do 4-Hers do?

4-H programs offer youth hands-on fun educational activities through four mission mandate areas:

- **Agriculture**
- **Civic Engagement**
- **Healthy Living**
- **Science, Technology, Engineering, & Mathematics**

Volunteer Opportunities

4-H Programming would not be possible without amazing volunteers. A major cornerstone of 4-H is youth learning in partnership with caring adults. Whether you have 4hrs a week or 4hrs a year, volunteers are always appreciated. Share your hobby, passion, or lend a helping hand to a club - there is always an opportunity to help change a youth's life.
