AG Happenings**Annual Implementation Report (AIR) Due March 1**

The deadline to submit your Annual Implementation Report (AIR) is March 1, 2023. The report outlines nutrient applications made in 2022. Paper reporting forms will be mailed to regulated farmers in January and posted on the website. Pressed for time? File your report electronically. Last year, more than 30% of regulated farmers took advantage of this time-saving reporting option. To e-file your report: go to onestop.md.gov and browse the state agencies for the 2022 AIR reporting form. Follow the instructions to set up your account and complete your report. A mail-in option is still available. Paper reports will be mailed to regulated farmers in January. If you should have questions, please call Jill at 301-334-6960.

Agronomy Meeting

The meeting will be held at the Springs Community Building in Spring, PA, sponsored by David N Yoder, on Wednesday, Feb 8, 2023, from 9:00 am to 12:00 p.m. If you plan to attend this meeting, please call David at 301-895-4056. The agronomy meeting will provide Maryland and Pennsylvania Private Applicator Pesticide Recertification credits. If you have questions about these meetings, please contact Willie Lantz at 301-334-6960.

Western Maryland Agronomy Meeting

The Western Maryland Agronomy meeting will be held on Tuesday, March 7th at the Pleasant Valley Community Center at 975 Joni Miller Road, Oakland, MD 21550, starting at 9 am. Freedom Ag & Energy and the University of Maryland Extension sponsor the meeting. Participants will earn credits for private applicator pesticide licenses and Nutrient Applicator Vouchers. The meeting will be free of charge, and

lunch will be provided. To register for the meeting, contact the UME Garrett office at 301-334-6960 or Freedom Ag & Energy, Oakland at 301-334-3121.
