Red House 4H Club News

Reporter: Kaylee Harvey

The February meeting of the Red House 4-H club was held on Wednesday, March 1, 2023 at the Redhouse St John Lutheran Church. The meeting was called to order by president Colton Tasker, pledges were led by Jameson Bolyard, roll was called by Secretary, Braxton Warsaw and the treasurers report was given by Will Dixon. We welcomed new member Sarah Hamilton.

Under old business members were reminded that meeting are counting this year and if they miss too many they will be unable to sell their market animals at the fair. It was decided that vet checks will be held on Sunday, April 16. Members were told to make themselves available all day as we don't know how long it will take for the vet to make it to all houses. We voted on the door prize for the Achievement program that will be held April 2nd from 2-4. Members were reminded that spring weigh in will be held Friday, May 12th from 12-8 and the Western Maryland District show will be held Saturday, May 13th. Anyone planning on going to the Pretzel rodeo in June needed to make sure that you paid Nikki so she could get the check sent.

Under new business Nikki explained that if you have an animal tagged at spring weigh in you must fill out a project record on that animal even if it doesn't make it to the fair. F.F.A. members are to make sure that they have their record book turned into the Ag teacher by the deadline. The theme this year for the fair booth is 4-H Friendships and members were ask to come up with ideas and bring them to the next meeting.

The meeting was adjourned by Brianna Tasker.
