The Club was also awarded the Banner Club award. This means our Club was one of the most active in the county involving youth and leaders in many events and activities. We want to thank the Extension Office for all the hard work it puts in to help all the 4-H children, volunteers and families succeed in Garrett County. Without all their hard work and dedication our hard work and dedication wouldn't shine as brightly. Congratulations to all the 4-H members, volunteers and Clubs in Garrett County for the hard work done in 2022!

We are very proud of our youth and volunteers and are glad to be able to be in such a great Club in Garrett County. We hope you'll HOP HOP HOP over and join us for our next meeting April 16 at 3 pm at the Senior Center in Friendsville.
