Trailblazers 4-H Club News *Samantha German, Reporter*

On Sunday April 23rd, the Trailblazer 4-H Club held their monthly meeting at Crellin Elementary. In the meeting we discussed our upcoming Spirit Night at Dairy Queen and had volunteers to sign up to help with the fundraiser. Please come out and support the Trailblazers on May 9th at 5-8 pm at Dairy Queen. The Trailblazers also had sign-ups for farm tours. Farm tours allow our club members to have an opportunity to practice public speaking while introducing the club to their new 4-H animal projects. After our meeting the Trailblazers completed a community service project at the Crellin Elementary S. Giving back to the community is an important part of the Trailblazer club's mission. Working with Crellin Elementary School staff, the Trailblazers weeded and mulched the large bird and butterfly garden outside of the classroom's windows.
