Red House 4H Club News

Reporter: Kaylee Harvey

The May meeting of the Red House 4-H club was held on Wednesday, May 3, 2023 at the Redhouse St John Lutheran Church. The meeting was called to order by vice president Brianna Tasker, pledges were led by Brady Sines, roll was called by Secretary Braxton Warsaw, and Will Dixon gave the treasures report.

Under old business members were reminded about spring weigh in and district show. If a member didn't get a vet check they were to let Nikki know ASAP. Members were also reminded that if they need to attend a makeup meeting they can help set up for district show on May 4th at 6 pm. There will also be another make up meeting for fair clean up that will be announced at a later date. All raffle tickets were turned in and the winners were drawn by club members.

Under new business we decided to have our June meeting on May 24th starting at 5 pm so we can clean up the graveyard before Memorial Day since the weather didn't cooperate for us to do it at our May 3rd meeting. All first year members and members changing age division were notified that quality assurance is open and needs to be completed by July 1st. Also if an intermediate or senior is taking a different species they must complete the quality assurance for that species. Farm tours will be held on July 9th starting at Nikki's at 1 pm.
