## **Trailblazers 4-H Club News** *Samantha German, Reporter*

On June 25th, the Trailblazers 4-H Club held their sixth meeting of the year. The Trailblazers discussed 4-H camp, fair deadlines and upcoming fundraiser. The club also recruited volunteers to decorate the cattle barn and paint a few fair buildings before the upcoming fair. We then had the 2nd round of farm tours which included the Hayhurst's and Meyer's farms. We finished our meeting with Delver's ice cream as pictured. Our next meeting for 4-H is at Herrington Manor State Park. We are going to have our meeting, swim, kayak, fish, and enjoy our 4H friends.
