

Harford County 2024 Spring & Summer Gardening Classes

Registration is required. Classes are taught by certified Harford County Master Gardeners. To register, call your local library or visit HCPL Programs & Events: <https://programs.hcplonline.org/events>

<p>Apr 27</p> 	<p>Container Gardening Aberdeen Library 10:15 am—11:15 am</p> <p>Growing vegetables in containers not only helps to save space in the garden, it's also a way to add greenery to your porch or patio. Master Gardeners of Harford County will give you tips and advice for a successful container garden.</p>	<p>Jun 22</p> 	<p>Supercharge Your Shade Garden with Native Plants Bel Air Library 10:30 am—12:00 noon</p> <p>Shady areas can be a challenge for gardeners. We will talk about traditional 'oldie' shade-loving perennials and some newer cultivars. Come and be inspired with colorful ideas for your dappled shade.</p>
<p>May 11</p> 	<p>The Future Begins In Your Garden—Beginning Vegetable Gardening Darlington Library @ Harford County Agricultural Center. 1:00 pm—2:30 pm</p> <p>Harford County Master Gardeners will explain and demonstrate best gardening practices.</p>	<p>Jun 26</p> 	<p>Children's Gardening on the Patio Darlington Library (Patio) 2:00 pm—3:00 pm</p> <p>Listen to a story, learn about wind-pollination and garden together with the Master Gardeners on our patio.</p>
<p>May 18</p> 	<p>Pruning Hydrangeas & Cultivating Clematis Bel Air Library 10:30 am—12:00 noon</p> <p>Come and learn the golden rule for achieving luxurious, old-fashioned clematis flowers and showy hydrangea snowballs. Participants will discuss the secrets of pruning clematis and all the hydrangea forms.</p>	<p>Jul 20</p> 	<p>ABC's of Seed Sowing Bel Air Library 10:30 am—12:00 noon</p> <p>Fall is the proper time to start seeds for fall. Come and learn the ABC's of sprouting them! We will discuss sowing A+Perennials, B+Biennials with showy flowers and C+Cold season, fall vegetables. This basic horticulture class will teach seed sowing skills applicable to every season.</p>
<p>Jun 8</p> 	<p>Totally Tomatoes—2024 The Year of the Heirloom Tomato Fallston Library 10:30 am—12:00 noon</p> <p>The tomato is American's favorite "fruit" to plant in home gardens. Master Gardeners will share how to grow this versatile edible and explain what an heirloom tomato is.</p>	<p>Aug 17</p> 	<p>Environmentally Friendly Alternatives to Planting a Lawn Bel Air Library 10:30 am—12:00 noon</p> <p>Lawns have been a tradition since colonial days, but are they the best choice? Research shows that they are a water consumer, a time drain and a chemical-laden monoculture. Learn how to break the cycle!</p>
