Western Maryland 4-H/FFA District Show

The Western Maryland 4-H/FFA District Show is one of the four regional Spring Livestock Shows for Maryland 4-H and FFA members. Although this show is judged, it is designed as a learning experience.

Our sincere appreciation is extended to the Maryland Agriculture Fair Board for their financial support for premiums and ribbons. We thank the Garrett County Fairgrounds for the use of their grounds and buildings. And a special thank you to the show coordinators for their assistance.

General Rules

Rules stated herein are for the Western Maryland 4-H/FFA District Show only.

1. All entries must be received by **May 3, 2024** on the included form.
2. All Garrett County exhibitors must weigh animals **Friday night**; Allegany/Washington County exhibitors may weigh in Friday night, or Saturday morning, but must be **weighed by 7:30 a.m.** Saturday, to allow sufficient time preparing show order.
3. All market animals being exhibited must have a Maryland 4-H market ear tag, and all species must have the appropriate USDA/RFID ID tag.
4. All animals must have the appropriate health papers completed in order to participate in the show.
5. Lambs and goats that are part of a flock must also have a flock check done at the farm. This flock check must be completed before the animal being shown can be checked and given its health papers at the time of weigh-in and tagging.
6. A show committee consisting of volunteer show coordinators, a 4-H Educator, FFA advisor and a veterinarian will make decisions regarding the status of animals with medical considerations or uncontrollable animals.
7. Participants in market classes will be judged strictly on the condition and conformation of the animal. Steers will not be fitted and are to be washed, clipped and blown out prior to entry into the ring. No fitting products (show foam, adhesive, show glow, etc.) are to be used on the animal. Lambs should be shorn. Market goats should be clipped and horns blunted.
8. Breeding animals entered in registered breed classes must be purebred and registered in exhibitor's full name with the breed association; registration papers will be checked. Breeding animals entered in the commercial breeding class must be tagged with a MD 4-H breeding tag.
9. The exhibitor of any breeding animal for which registration papers have not been received by the day of the show must have proof that an application for the animal's registration has been received by the breed association. Bill of sale will not be accepted.
10. Every attempt will be made in scheduling the shows to accommodate youth exhibiting more than one species.
11. Each exhibitor will be responsible for any bedding needed. Youth are responsible for cleaning their areas of the barns/pens **before** leaving the grounds.
12. Water will be available at the barns and at the wash racks.
13. Show ring attire for all shows will be: Black, white, khaki, or dark-color slacks/jeans are required. Girls may substitute dark color white or khaki colored skirts.
White or dressy shirts with sleeves and a collar are required.
No hats may be worn in the show/sale ring. Unacceptable attire includes t-shirts, shirts with inappropriate logos (such as advertising for alcohol, tobacco or farm names), faded or dirty jeans, and jeans with holes.
Safe, appropriate attire, including footwear, is required at all times. No sandals or lightweight tennis shoes.
Good work shoes or boots are best.
Proper show items for your animal are required. Examples: Swine - hog cane or flapper and a brush; Beef - show stick, comb and show halter.
14. Exhibitor number must be worn by all exhibitors.
15. When exhibitors are divided by age, juniors will be those members 8-10 years old, Intermediates will be 11-13 years old, and seniors will be 14-18 years old as of January 1st. Clovers (pre-juniors) are not eligible for participation.
16. Participation premiums will be provided through support from the Maryland Agricultural Fair Board.
17. Neither the show management nor the fairground will be held responsible for any accident or injury that may occur to any person, exhibit, or property.
18. The show will be held rain or shine.
19. Exhibitors must choose one animal, market or breeding, to use for showmanship per species.
20. 4-H/FFA exhibitors may show only **one** animal in each class. The maximum number of animals any exhibitor may show for the day is **five (5)**.
21. Classes will be divided at the discretion of the superintendent.
22. The Maryland 4-H/FFA Animal Science Code of Ethics will be in effect.
