

Harford County
Fall and Winter Gardening Classes

HERBS

Saturday November 16, 2024

◆ BEL AIR LIBRARY ◆
10:30am - 12:00pm

Come learn how to cultivate and grow fresh herbs in containers this winter and in your garden next spring. You'll also learn specifics about a variety of common and uncommon herbs.

Registration Required.

Scan the QR code, visit <https://hcpl.libnet.info/events> or call the library.

SPICE UP YOUR TEA

Tuesday January 14, 2025

◆ HARFORD COUNTY AGRICULTURAL CENTER ◆
1:00pm - 2:30pm

Get cozy while learning about how types of tea are grown and looking at tea's connection to American history.

Snow date: January 28, 2025

PRUNING: NIP IT IN THE BUD!

Saturday January 25, 2025

◆ BEL AIR LIBRARY ◆
10:30am - 12:00pm

It may be cold outside, but it is the best time to prune deciduous trees and shrubs. We will learn where and how to prune and the proper time to encourage flowering!

POLLINATORS

Saturday February 8, 2025

◆ HAVRE DE GRACE LIBRARY ◆
10:30am - 12:30pm

Join us for an discussion about Pollination and why it is important. Learn about who the pollinators are and how you can do your part by creating pollinator habitats and pathways.

FERNS

Saturday February 22, 2025

◆ BEL AIR LIBRARY ◆
10:30am - 12:00pm

Join us to enjoy Nature's lacework, perfect in all their detail - the most elaborate leaf that we have. Learn about the ecology and types of ferns, our native ferns and tips for identification.
