North Glade 4-H Club News

Madelyn McKnight, Reporter

The North Glade 4-H Club has had a few busy months. In July they held their annual summer picnic at the club building. Members enjoyed playing kickball, jumping in a bouncy house, and eating Kona Ice!

Later that month members participated in the Garrett County Fair where all members showed livestock and entered many indoor exhibits. Fun was had by all during fair week! Our club wishes to thank all our livestock buyers, bidders, auctioneers, and ring help during the sale, and the Garrett County Fair Board, Garrett County Livestock Association, and Garrett County Extension Office for all that they did during fair week for all of us.

On Wednesday September 18th, the club held its regular monthly meeting at the club building. Vice President Matthew Stoner filled the club in on old business while President Autumn Custer discussed new business. Our club was recently given monetary donations in memory of Dorothy Bernard, and we would like to thank her family for the honor of receiving the monetary blessings and those who made donations in her honor. Autumn reminded members of the upcoming Ag Bash fundraiser for the Garrett County Livestock Association and reminded them about club meeting attendance requirements for the new year. In a few short weeks we will be celebrating National 4-H Week, and our club has decided to all wear our club T-Shirts to school on the same day that week. We will also be taking something special to the extension office and placing an ad in the newspaper. Our annual Autumn Glory Food Booth fundraiser was discussed, and planning is under way. We encourage everyone to come out to support our food booth on October 9th and 10th at the Ag Heritage Hall during the Autumn Glory Craft & Vendor Show.
