Happy New Year!! 2026 is here and we are BEYOND READY! We are already learning lots & having fun in our county workshops & trainings.

4-H Online is open and ready for you to enroll. Here is the link: <https://md.4honline.com/>. Look in the newsletter for more information about enrolling. Please consider signing up to be a 4-H Volunteer. When applying in 4-H Online to be a new volunteer, please choose "New Volunteer Applicant". This will start your onboarding process.

Don't forget to check with your Club Leaders so you know when your Record Books are due to them. Don't forget that: "All 4-H youth, ages 8 to 18, who exhibited in the 2025 St. Mary's County Fair are required to complete and submit to the County 4-H Office one completed project record in order to be eligible to show at the 2026 County Fair.

- All 4-H Horse exhibitors are required to complete the horse project record.
- All 4-H Livestock participants are required to complete one project per species shown or sold at auction.
- All 4-H Exhibitors (non-Horse/non-Livestock) are required to complete the minimum, one project record on fair exhibit or competitions (i.e. horticulture contest) of their choice. All 4-H youth are required to complete a Record Book. Project Record Completion Requirements
  - Complete the project record form
  - Record project exhibits or competitions
  - Give a project related demonstration or illustrated talk to an audience of 3 or more non-related people."

We have a lot of exciting things planned for the year! Make sure to check out our St. Mary's County 4-H Google Calendar for the most up to date events that are happening. January 15, 2026

Dear Maryland Poultry Producers,

Since January 3, 2025, ten commercial broiler flocks on the Delmarva Peninsula have tested positive for H5 avian influenza. The most recent detection of H5 avian influenza in a commercial broiler flock in Maryland occurred in December 2025. These detections were initially identified by the National Animal Health Laboratories located in Maryland and Delaware, with confirmation from the U.S. Department of Agriculture's National Veterinary Services Laboratories (NVSL).

H5N1 continues to be detected in migrating wild birds as well. On January 2, 2025, the Maryland Department of Agriculture (MDA) confirmed that several snow geese found in Bishopville, MD, and at the Blackwater Wildlife Refuge were infected with H5 avian influenza. Delaware authorities reported similar findings on December 27, 2024, when snow geese discovered sick or dead in Sussex County tested positive for H5. These represented the first confirmed cases of Highly Pathogenic Avian Influenza (HPAI) in wild birds in the Delmarva region since May 2022, when black vultures in Harford County tested positive through wildlife surveillance. More recently, HPAI was detected in black vultures in both Charles and Washington counties in September 2025—further underscoring that this virus remains ever present.

These detections serve as a reminder that a virulent strain of avian influenza continues to circulate among wild bird populations and poses an ongoing risk to both commercial and backyard poultry operations nationwide. As of January 8, 2026, HPAI has been confirmed in 2,009 flocks across all 50 states, including 914 commercial operations and 1,095 backyard flocks. In just the past 30 days, 68 new detections (16 commercial and 52 backyard) have affected approximately 1.21 million birds.

The Maryland Department of Agriculture strongly recommends that **all poultry producers move their flocks indoors** and maintain confinement until the risk associated with outdoor access can be reassessed. Producers who observe black vultures or wild waterfowl near their flocks should also keep their birds indoors. Any sightings of dead black vultures or wild waterfowl should be promptly reported to the Maryland Department of Natural Resources or USDA Wildlife Services.

All producers are urged to maintain **strict biosecurity practices, monitor flock health closely**, and **report any unexplained illness or mortality** to the Maryland Department of Agriculture at **410-841-5810**, available 24/7.

Thank you,

Dr Jennifer P Trout, DVM

## 4-H Online Enrollment

Maryland 4-H is now open for enrollment and re-enrollment for families, youth, and volunteers. Please go to [www.4honline.com](http://www.4honline.com) to re-enroll. There is a new opening page (see photo below) with two options: “Sign In” (for re-enrollment) and “Sign Up” (for new members).

New this year for all Volunteers: how you will complete the training video and the completion survey. When you get to the types of volunteer roles, if you do not understand what you are doing, feel free to reach out to your local 4-H manager, and they will help you. If, however, you are confident and seasoned, please feel free to move on. After you have selected all your volunteer role(s) and screenings, you can watch the video through to the end. It has valuable information to help you succeed in our program. The videos are on the Maryland 4-H YouTube Channel and are easily accessible on any device with an internet connection and the YouTube app.

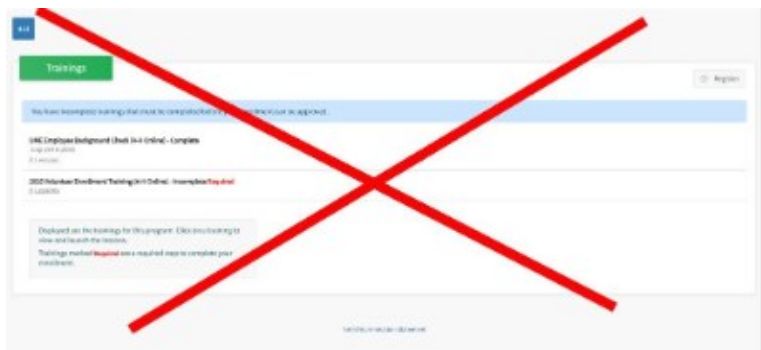

**Volunteer Refresher Training Video:** [2026 Volunteer Enrollment Training](#)

**New Volunteer Training Video:** [2026 Maryland 4 H Volunteer Orientation](#)

There is a Qualtrics survey you need to complete at the end, which will be sent to the Volunteer Specialist who moves your volunteer process forward.

**Returning Volunteers:** <https://tinyurl.com/bdz86xte> **New Volunteers:** <https://tinyurl.com/2n7pkisb>

When you get to the training screen, do NOT worry about completing this; your Video and Qualtrics completion will take the place of this step.

## Thank You

A BIG THANK YOU goes to Johnny Butterfield for giving our youth a unique opportunity to learn from him and paint their own decoy!! Johnny donated the blank decoys, the paint, all the materials and most importantly his time, to teach these 4-H'ers a new skill. We would also like to thank Russell Brothers Farm for letting us use their shop to have the workshop! We really appreciate your generosity!!

#### Tudor Hall 4-H Club Report

July 25, 2025

Submitted By: Olivia Faunce

The Tudor Hall 4-H meeting was at Tolerance Hall at St. Mary's Fairgrounds.

The meeting started at 7:08 pm.

We worked on making bunny cups for the club booth before the meeting began. Trenton Ridgell led the Pledge of Allegiance. Madelyn Russell led the 4-H Pledge. Roll call was taken by stating our names. New members were introduced. The last meeting minutes were read by Madison Arcadipane. The treasurer's report was given. Demos were done by Suzannah Wathen on Quail. Leroy Kershaw on Netherland dwarf rabbits and Madelyn Russell did a demo on cookies.

Old business was discussed: Weigh in Check In was July 26th with the Wild Things 4-H club. None of our members attended. New business was discussed: 4-H dairy goat judging at the State Fair the end of August. An upcoming Nature Event for 8yrs or older will be at Sotterley. We discussed the booth for the 4-H building and the float. The theme will be Hop on over to Tudor Hall 4-H club. Wild Things club will be hosting a Livestock Skillathon on Aug. 5th and will also have a Hooves trimming event on Aug 9th. A Food Drive event will take place on Sept 13th at the Lex. Park U-Haul and also at Bay District Firehouse. Emily Gale will be collecting items for Three Oaks. She will have a bin at the fair and next meeting.

Meeting ended at 7:38

#### South County Patriots 4-H Club Report

September 2025

Submitted By: Savannah Pierce

No official business meeting was held in September. Club members participated in the various fair activities instead such as serving as building monitors in the 4-H building, participating in the cake auction, entering exhibits, showing livestock, and competing in the horticulture, photography, demonstration, and illustrated talk competitions.

### REPORTER'S NEWS Crazy Critters 4-H Club Report November 2025 Submitted By: Mandy Walters

We recently held our November meeting, where members presented thoughtful speeches and cast their votes to select club officers for the upcoming year. It was a great moment of teamwork and leadership as everyone came together to shape the club's direction.

The following week, we proudly participated in the Veterans Day parade. The temperatures were freezing and the wind was wild, but the energy from the crowd—and their excitement at seeing the horses—brought so much warmth to the day. Members bundled up, laughed through the cold, and made memories that will stick with us.

With November wrapped up, we're now turning our attention to the holiday season and are eagerly looking forward to our upcoming Christmas party.

Club Members: Adriana Costello, Ava Eagan, Malayna Ellis, Ellie Hayden, Baylee Hill, LJ Perry, Carley Roberson, Karlee Scroth, Jenna Stallard, Charlotte Walters
