Hopper's 4-H Club News

Landon Georg, Reporter

The Hoppers 4-H Club had a busy and exciting month filled with learning, achievement, and celebration!

Rabbit Workshop Success

In March, the Hoppers hosted a hands-on Rabbit Workshop that brought members together for a full day of education and fun. Workshops included cage building, beginner and advanced showmanship, poisonous plants, zoonotic diseases, rabbit standard disqualifications, rabbit hopping, rabbit health and diseases, rabbit judging, rabbit husbandry, making toys for rabbits, and creative enrichment like stuffing toilet paper tubes with hay.

Everyone had a wonderful time learning new skills and spending time together. Cadence and Ella Georg even came home with a new rabbit and cages! We would like to thank all helpers and presenters for sharing their time and knowledge.
