

What IS 4-H?

4-H is the largest youth development organization in the United States, with about 6 million participants and over 25 million alumni!

The Maryland 4-H Youth Development Program provides a supportive setting for youth to reach their fullest potential. Children learn beneficial cognitive and life skills through community-focused, research-based, experiential educational programs.

What do 4-Her's do?

4-H programs offer youth hands-on fun educational activities through four mission mandate areas:

- **Agriculture**
- **Civic Engagement**
- **Healthy Living**
- **Science, Technology, Engineering, & Mathematics**

Volunteer Opportunities

4-H Programming would not be possible without amazing volunteers. A major cornerstone of 4-H is youth learning in partnership with caring adults. Whether you have 4hrs a week or 4hrs a year, volunteers are always appreciated. Share your hobby, passion, or lend a helping hand to a club - there is always an opportunity to help change a youth's life.

School Break & Community Workshops

School Break weeks are for fun, but why not make them educational too? Try something new in the world of STEM! Also keep an eye out on our website and social media pages for Community Workshops throughout the year!
