Maryland 4-H Diamond Clover Award Program

This award is designed to encourage 4-H members ages 8 to 18 to engage in a variety of projects and activities that will enable them to acquire the skills necessary to lead successful lives as competent, caring and contributing citizens.

County/units (4-H Unit means county, city, cluster or Military 4-H program) determine their own timelines for Levels 1-5 and recognize 4-Hers on the county level.

Diamond Level 6 plans will be due September 15th to the State 4-H Office for completion the following year. Watch your county 4-H calendar for due dates for county and committee approval prior to submission at the state level.

Note:
1. The Diamond Clover Award is designed for younger youth to begin at Level One and progress through 6 levels, one level per year, acquiring valuable life skills as he/she advances. Youth who are older when joining 4-H, may begin at a higher level (1 through 4) if mutually agreeable to the participant and the club/group leader with the permission of the 4-H Educator.
2. Youth meeting the requirements of levels 1 through 5 will be recognized at a 4-H County/Unit (4-H Unit means county, city, cluster or Military 4-H program) event. Youth meeting the requirements of level 6 will be recognized at an appropriate state event.
3. Diamond Clover Level 6 Service Project Plan approval is not automatic. A youth must apply for Diamond Clover (Level 6) Service Project approval using the appropriate plan/report form due at the state level September 15th.
4. Diamond Clover Level 6 Recognition is not automatic. A youth must submit all completed materials for recognition by October 31st to the State 4-H Office the year the project is complete. If appropriate guidelines are not followed, project will not be recognized. All dates must be clearly adhered to for recognition.

**Level Six – Diamond**  
Youth must be 14 as of January 1st when starting the project.  
[Local Committee, 4-H Club Leader and County/City/Military 4-H Program Educator, and the State 4-H Program Leader must approve plan prior to youth starting the Level 6 Service Project.]

*Complete at least eight of the tasks in Level 5 and plan, organize, implement, conduct, promote and evaluate a major service-learning project.*

A major project is one that makes long-lasting benefit to the community, may involve community collaborations to accomplish, may take a year or longer to plan and to complete. The Diamond Clover Project should make a difference in your community.  
This requires the 4-Her to complete a project that benefits his/her community. The 4-Her will submit a detailed plan that includes: description of the project, justification for the project, who will be recruited to help, a budget and how funds will be obtained, a projected timeline and any necessary approval letters from landowners, city/county/military 4-H unit, government, etc. The Diamond Clover Committee should consist of, but is not limited to at least three members including: 4-H UME Volunteers, previous Diamond Clover winners, 4-H All Stars and a 4-H Educator of these three members, the Committee must include at least one of the following: 4-H UME Volunteer, 4-H All Star and/or 4-H Educator. These committee members must be non-related to the Diamond Clover candidate. It is the candidate’s responsibility to contact people to serve as their committee members, not the responsibility of the 4-H Educator.
The Local Committee, 4-H Club Leader, Unit 4-H Educator, State 4-H Awards & Recognition Committee, and the State 4-H Program Leader must approve the plan before any work is started. The State Awards & Recognition Committee will forward your plan to the State 4-H Leader (or designee) for final approval. All project funds must be housed in your local 4-H Club Treasury or your local Extension Office Account, not in any personal financial accounts. When the work is completed the 4-Her must submit a detailed report outlining what was accomplished with documentation (photographs, etc.).

NOTE: Diamond Clover Level 6 Recognition is not automatic. A youth must submit all completed materials for recognition by October 31st to the State 4-H Office the year the project is complete. If appropriate guidelines are not followed, project will not be recognized. All dates must be observed to achieve recognition.

The Diamond Clover Project:
- Should make a difference in your community or fulfill a need in the community
- Be a challenge that allows you to develop life skills (planning, organizing, follow through)
- Should involve others in the community and develop community partnerships
- Plan should include how to maintain the project to have lasting impact beyond just one day or one event
- Should take time to develop a detailed plan, to organize, implement, conduct, promote, evaluate and provide follow-up information of the success of your program
- Should take at least an estimated 100 hours to implement and complete
- The sky is your limit….use your creativity and imagination
- The Diamond Clover Project is your project (4-Hers) not your club leaders, parents, committee, or friends!!!

Other Past Samples:
- Develop and maintain a 4-H After-School Program
- Develop a Program to work with Children of Need that will be on-going
- Initiate a River or Beach Cleanup and plan for its sustainability
- Initiate a Blanket Drive for the local hospital for infants and plan for its sustainability
- Painting Quilts on Barns and develop Countywide Driving Tours to benefit county tourism
- Develop or support a Recycling Program at the County Fair or an area of need and plan for its sustainability

Other Samples:
- Landscaped the non-profits grounds, including shrubs, ground cover, and edging and planned for continued maintenance of the garden
- Repaired a local troubled youth facility, inside and out, including woodworking, painting, carpeting
- Collected children's books and toys and setup a play area at a public hospital neighborhood clinic
- Planted trees and placed boulders in a local park to stop off-road vehicles from damaging grounds
- Conducted a bicycle safety program at a community summer camp for underprivileged children and planned for continued bicycle safety programs for this audience
- Built a nature trail and erosion dams in a city park

Project completion guidelines:
- Do work described in the project manual
- Complete a project record, record book or portfolio
- Present a visual presentation related to the project at a club meeting or community activity
- Exhibit something related to the project at a club or local 4-H unit (4-H Unit means county, city, cluster or Military 4-H program) fair
- A new project area is one in which the 4-Her has not completed a project, not a different project in the same project area.

(Note: Project completion requirements may vary by 4-H city/county/military program unit.

Revised 9/2012

University of Maryland Extension programs are open to all citizens without regard to race, color, gender, disability, religion, age, sexual orientation, marital or parental status or national origin.
