The University of Maryland Extension is an Equal Opportunity Employer and Equal Access Programs

INCREASING OPPORTUNITIES TO EMPOWER BALTIMORE COUNTY'S YOUTH

The Maryland 4-H Youth Development Program provides a supportive setting for youth to reach their fullest potential. Children learn beneficial cognitive and life skills through community-focused, research-based, experiential educational programs. Participation is open to **all youth ages 5-18 who reside in Baltimore County. The Clover Program is open to ages 5-7 years** and the **4-H Program is targeted toward 8-18 year old participants.**

4-H has an over 100 year tradition of voluntary action through strong public/private partnerships at federal, state and community levels. Local volunteer leaders partner with Baltimore County Extension staff to provide direct leadership and educational support to

young people in urban, suburban, and rural communities.

4-H youth develop relationships that inspire people to voluntarily help themselves and others as they interact with caring adults and peers.

4-H Program areas include:

- Science, Engineering and Technology
- Healthy Living
- Citizenship and Leadership
- Volunteer Development
