

**Please select your Master Gardener status for 2017.**

**1. \_\_\_\_\_ Request for Active Membership**

I plan to be an **active** volunteer in the upcoming year which involves volunteering a minimum of 20 hours and completing 10 hours of continuing education. I will commit to logging my hours on a regular basis. Enclosed is my annual donation of \$15. One per family.

Make checks payable to: HCEAC (Harford County Extension Advisory Council)  
Mail to: University of Maryland Extension  
Harford County Office  
PO Box 663  
Forest Hill, MD 21050

**2. \_\_\_\_\_ Request for Termination of membership.**

I voluntarily withdraw my membership from the Harford Co. Master Gardener Program.

**3. \_\_\_\_\_ Hiatus**

Hiatus is a temporary status awarded by the MG Coordinator to 'active' members unable to serve due to personal circumstances. Please write a note, along with this form, requesting your status be changed to *Hiatus*. When approved, a letter confirming the "on hiatus" status is placed in the volunteer's file. To become active again the Master Gardener simply begins volunteering. The University of Maryland Volunteer Appointment Agreement forms must be kept up to date during the hiatus period.

**4. \_\_\_\_\_ Intern Membership for the current class.** Interns do not donate to this fund until after completing their 40 hours of service and have become certified 'Active' Master Gardeners.
