4-H Club/Group By-Laws

One of the requirements for a Maryland 4-H Club or Group to receive a 4-H Charter is that the club/group have a set of guidelines which establish the parameters for the club/group. These guidelines are in the form of by-laws.

The club or group members take responsibility, with guidance from an MCE 4-H volunteer, for establishing the by-laws. The written guidelines for a club or group should not exceed two pages. It is important that by-laws be written in such a way that they do not eliminate any youth from participation or discriminate against any youth. The guidelines established should be simple, easy to understand, and approved by the city or county 4-H youth development educator.

A sample outline for club/group by-laws is provided for use by clubs in your county/city program.
